Subject: Capacity Auction Meeting - date change

This message is being sent to any stakeholders who have previously registered to attend a Meeting Ontario's Capacity Needs: 2020-2024 or Capacity Auction stakeholder engagement meeting.

To respond to comments from stakeholders, and to accommodate a scheduling conflict with the Ontario Energy Board's meeting on *Utility Remuneration and Responding to Distributed Energy Resources (DERs)*, the Capacity Auction stakeholder engagement meeting that was announced for September 18 has been rescheduled to September 20 from 9:30 a.m. – 4 p.m. at Vantage Venues, 150 King Street West, Toronto. To register for the meeting, email engagement@ieso.ca and indicate whether you will attend in-person or via webinar. There is no action required from any stakeholders who previously registered for this meeting, unless the status of your attendance has changed.

A reminder that stakeholder feedback on the material discussed at the August 22 Capacity Auction webinar are due to engagement@ieso.ca by September 5.

Materials for past and upcoming activities related to this stakeholder engagement can be found on the [engagement webpage](#).

Thanks,
IESO Engagement
