Following the June 24, 2020 Energy Storage Advisory Group (ESAG) meeting to discuss the Energy Storage Design Project, the IESO is seeking feedback from participants on the draft redlined Market Rules and Manuals and the recommended approach to uplift charges. The IESO will work to consider feedback and incorporate comments as appropriate and post responses on the engagement webpage. The referenced presentation and associated redlined Market Rules and Manuals can be found under the June 24, 2020 entry on the [ESAG webpage](#).

Please provide comments relating to the section of the draft amendments in the corresponding box in table 1 below. Please include any views on whether the draft language clearly articulates the requirements for either the IESO or market participants, and provide any alternative language by inserting the draft language and red-lining the suggested changes (example below). Further, please provide comments relating to the uplift proposal in table 2 below.
