

Enabling System Flexibility

Agenda

Date: June 24, 2016	Time: 9:00am-12:00pm
Location:	Crowne Plaza, 33 Carlson Court, Toronto, ON
Meeting Sponsor:	Darren Matsugu, Supervisor, Market Rules and Analysis
Meeting Facilitator:	Ryan King, Senior Advisor, Market and Stakeholder Relations

Meeting purpose: The objective for this meeting is to ensure stakeholders understand the flexibility need identified and how, through this engagement, their participation will assist in the identification and evaluation of potential solutions.

Action required: The IESO will discuss the flexibility need, how it is managed currently, and outline at a high level some potential options to address this need. Stakeholders are asked to review material in advance for discussion at the meeting.
