Subject: Meeting Notice: Enabling System Flexibility (Aug 1)

Good Morning,

The IESO would like to notify you of an engagement session scheduled for all stakeholders interested in the **Enabling System Flexibility** initiative set for **August 1 from 9:30 – 11:00 am** at the **Four Points Sheraton**, Toronto Airport.

At this next meeting, items that will be discussed include an update on system flexibility needs, pricing outcomes and a proposed interim solution to enable flexibility.

Meeting materials will be posted to the [Enabling System Flexibility](#) page by July 25. All interested stakeholders are encouraged to participate. To attend in-person or via webcast, please register by sending an email to engagement@ieso.ca.

Thanks – Jason
