Subject: ICA – Options Feedback Form
Attachments: Feedback Template - ICA Options Phase Meeting #1 (Aug 8 2017).docx

Importance: High

As discussed at this week's Incremental Capacity Auction stakeholder meeting, the IESO has developed a feedback form (attached) to assist stakeholders to provide feedback on content presented as at the first options meeting. Please use the form to:

- Provide responses to the questions posed
- For options presented, indicate your preference along with applicable rationale/supporting arguments
- Identify any aspects that you believe require further elaboration or discussion

Please submit this form with your comments by September 13, 2017 to engagement@ieso.ca.

Regards,
IESO Engagement
