Subject: Market Renewal -Deadline for Feedback January 30

At the Market Renewal meeting on December 19th, the IESO asked stakeholders to provide their feedback on the results of Brattle's preliminary analysis by January 13. In response to concerns about this date, the IESO has extended the deadline for feedback to **January 30, 2017**. Stakeholders are encouraged to send in feedback sooner if at all possible but all feedback for this round will be accepted if received by this date. Feedback can be submitted to engagement@ieso.ca.

Happy New Year
