Subject: Reminder - Feedback due on Province-Wide Pay-for-Performance Program Engagement

As a reminder, the deadline for stakeholders to submit feedback on the draft program documents presented at the Province-Wide Pay-for-Performance Program webinar last week, is Tuesday, November 15. In particular, the IESO is interested in hearing the following feedback on the program documents:

- Does any language appear inconsistent?
- Are the M&V Procedures clear and comprehensive?
- Are the triggers for adjustments to energy baseline models clear?
- Do you see any barriers to participation?
- Are the stated timelines in the contract reasonable?

The legal terms of the participant agreement will be non-negotiable once the participant agreement is finalized so it is recommended that those terms be reviewed now and any suggestions be received by November 15. The draft program documents can be found here: <http://www.ieso.ca/Pages/Participate/Stakeholder-Engagement/Pay-for-Performance-Program-Engagement.aspx>

Your feedback is important to us; comments can be sent to engagement@ieso.ca.

Regards,
IESO Engagement
