Subject: Province-Wide Pay-for-Performance Program Engagement Update

Thank you for your feedback on the material presented at the November 1, 2016 webinar for the Province-Wide Pay-for-Performance Program Engagement. The IESO response to feedback received is available on the stakeholder engagement webpage at: <http://www.ieso.ca/Pages/Participate/Stakeholder-Engagement/Pay-for-Performance-Program-Engagement.aspx>.

The IESO would like to thank those who participated in the Province-Wide Pay-for-Performance Program Engagement Stakeholder Engagement, which has now concluded. The IESO sought feedback from stakeholders on the draft program design and participation documents. Participating stakeholders were supportive of the IESO's efforts and provided valuable insights and recommendations. The engagement was successful in creating awareness of the Pay-for-Performance Program for Multi-Site Customers.

Stakeholder feedback had an impact on final program design and the program participation documents including the following items:

- the addition of a modelling incentive
- the acceptance of multiple buildings aggregated in single baseline line energy models as eligible facilities
- changes to acceptable sources of independent variable data for baseline energy models, and
- the introduction of an option for participants to consult with the program's third-party Technical Reviewer for questions regarding the necessity of a baseline adjustment

The program, now branded the Save on Energy, Energy Performance Program for Multi-Site Customers, will begin accepting applications on December 21, 2016. Program application documents are available at <https://www.saveonenergy.ca/Business/Program-Overviews/Energy-Performance-Program>. Inquiries and completed applications can be submitted to energyperformanceprogram@ieso.ca.

Please note that the IESO is in the process of planning events to increase market awareness and capacity to participate in the Energy Performance Program. Stakeholder engagement participants will be notified when details and dates are finalized.

Regards,
IESO Engagement
