Good morning,

We sincerely appreciate your patience as we work through the feedback received on the Provincial Energy Manager Program information we shared with stakeholders several weeks ago.

The IESO is finalizing the feedback to stakeholder questions, and has been slightly delayed from the initial schedule due to overall volume and interest from the stakeholder community. We have been working to accommodate feedback that has been submitted beyond the proposed deadline to ensure a fulsome response is provided. We expect to have the response document to stakeholder feedback finalized and sent to stakeholders within the next two weeks.

In the meantime, please find attached (and posted to the website at <http://www.ieso.ca/Pages/Participate/Stakeholder-Engagement/Provincial-Energy-Manager-Program-Development.aspx>) meeting notes from the two webinar sessions which capture the questions and answers provided during those sessions.

If you have any comments on the attached notes, please send them into stakeholder.engagement@ieso.ca.

Thank you again for your continued interest and participation in this initiative.

Regards - Jason Grbavac
