Subject: IESO Response to Feedback - Province Wide Whole Home Pilot Program Enhancement

Thank you for your feedback on the material presented at the July 26 webinar for the Whole Home Pilot Program Engagement. The IESO response to feedback received is available on the stakeholder engagement webpage at <http://www.ieso.ca/Pages/Participate/Stakeholder-Engagement/Province-Wide-Whole-Home-Pilot-Program.aspx>.

The IESO is now working directly with counterparties to discuss the following items:

- program implementation details including data requirements;
- pilot field testing and design updates; and
- marketing collateral requirements

We will provide updates when the design of the program is finalized.

Please email engagement@ieso.ca if you have any questions or comments.

Regards – Emily Somerville
