Summary

The IESO proposes a number of minor amendments to the market rules. These amendments correct cross-references, remove redundancy and clarify procedures related to the de-registration of registered facilities. The amendments relate to a number of different areas of the market rules, and for efficiency, have been submitted as a single “omnibus” package.

Background

Minor market rule amendments are defined in Chapter 11 of the market rules as:

“...an *amendment* to the *market rules* to correct a typographical or grammatical error, or to effect a change of a non-material procedural nature;”

PART 4 – PROPOSAL (BY SUBMITTER)

Provide your proposed amendment. If possible, provide suggested wording of proposed amendment.

Amend the market rules to correct cross-references, remove redundancy and clarify procedures related to the de-registration of registered facilities.
