All meeting material is available on the IESO web site at: [IESO Revenue Metering Standing Committee](#).

RMSC Agenda Items/Minutes:

1. Welcome & Metering Installation Update (M. El-Madhoun)

- 1.1. The IESO referred questions about the status of meter installations on the IT dispensation list directly to Hydro One

2. Station Service Estimate Process (F. Rashid)

- 2.1. MSPs raised questions on whether the change will require a new registration of existing station service estimates and what the lead times are to update these parameters
2.2. The IESO noted that the process change is not being initiated retroactively and that lead times will be judged on a reasonable basis with the IESO

3. Form Automation (N. Arcot)

- 3.1. No questions raised by the committee

4. Baseline Updates (A. Jabbar)

- 4.1. No questions raised by the committee
