Good afternoon Jo,

Thank you for your email to Resolute respecting the March 5 Technical Panel Meeting. Attached are the materials that Resolute intends to refer to at that meeting. Resolute requests 30 minutes on the agenda. Peter Giardetti will speak to the power point deck he provided to the DRWG, and George Vegh will speak to the text of the market rule submission. Other people attending at the meeting on behalf of Resolute are Peter Giardetti, Tony Ruberto and myself Cara Degelman.

Please let us know who will be presenting the IESO's position and forward the materials they will be providing to the Technical Panel.

With respect to next steps following the meeting, I note that IESO staff intends to propose that this matter return to the DRWG. Resolute is concerned that this approach can result in unnecessary delay. Given that the Technical Panel assigned a high priority to this amendment, Resolute does not see the value in returning this to the DRWG. If there are specific questions that the Technical Panel may have for DRWG members, or others, it can certainly state them to seek further input. I trust that you will advise the Technical Panel of Resolute's views in this regard in any communications you may have with the Panel.

Please let me know if you have questions or concerns.

Regards,

Peter/Tony,

For the March 5th Technical Panel meeting, we would like to invite Resolute to present to the Technical Panel the Feb 12th DRWG presentation. The meeting will be held at our Adelaide offices (120 Adelaide Street West, Toronto ON, M5H 1T1 – 16th floor). The meeting will start at 9:00 and end around 11:30.

At the meeting, following Resolute's presentation, the IESO will give a presentation to the Technical Panel on its position on Resolute's proposal. Regarding next steps following the March 5th Technical Panel meeting, the IESO will propose that further discussion of Resolute's proposal continue at the April 25th DRWG meeting to address the feedback we had received from participants at the Feb 12th DRWG.

Please confirm you are able to attend the March 5th Technical Panel meeting and who specifically will be attending (in order for us to notify our Reception). Also, please let us know if the presentation for the March 5 TP will be the same as delivered at the February 12 DRWG, as we will include the presentation with the TP materials that will be posted and shared with the TP tomorrow via email.

Please let me know if you have any questions.

Best regards,
