

Prospective Technical Panel Schedule

Engagement Update, June 25

The following is a snapshot of the initiatives that the IESO expects may reach the TP in 2019. Please note that this table only represents an estimate on when items could be discussed at TP meetings which may depend on the progress at the respective engagement meetings. As such, these dates are subject to change.

Initiative	June 25	August 13	September 24	November 26
Transitional Capacity Auction				<i>TCA Phase II TBD</i>
Recommendations from Governance and Decision-Making Advisory Group:				
<ul style="list-style-type: none"> Dispute Resolution Panel Changes Review and potentially revise Technical Panel composition and process
