Subject: DRWG Next Meeting Date - Monday March 6

Good Afternoon,

The IESO would like to thank all DRWG members who have submitted their feedback on the 2017 priorities. This feedback will allow the IESO, in collaboration with the working group, to identify the key areas of focus for a final work plan this year and beyond.

A number of participants identified conflicts for a few dates that were proposed at the January 31 DRWG meeting. As a result of this feedback, the next DRWG meeting will take place on **Monday, March 6, 2017** at the **Crowne Plaza** in Toronto (near Pearson Airport) from **10am – 3pm** (with lunch provided in the meeting room).

At this meeting, the DRWG will engage in a facilitated group discussion on the priorities identified and submitted by stakeholders. As part of the discussion, attendees will break out into smaller groups to review the priorities and assess their merit against the criteria finalized and distributed to DRWG members earlier this month. As a result, the IESO strongly encourages in-person participation for this particular meeting (if possible) as the teleconference option will not be of much value during a session with this type of meeting format.

To register for this meeting, please email engagement@ieso.ca.

Also, for your planning needs, please note the current series of 2017 DRWG Meeting Dates:

- Monday, March 6
- Thursday, April, 6
- Tuesday, May 30
- Tuesday, September 12
- Thursday, November 16

Thanks – Jason
