Good Afternoon DRWG members,

There are a couple of updates and reminders the IESO wanted to share with you for your review.

Feedback, April 6 DRWG | Just a friendly reminder that your feedback on the items discussed at the April 6 DRWG meeting is due today. Please try to submit feedback by end of day (or Monday if needed) to keep the momentum and work going on the topics in front of us. As a reminder, please send any feedback to engagement@ieso.ca. To review the presentations discussed at the last meeting, please visit the Engagement page here: <http://www.ieso.ca/sector-participants/engagement-initiatives/working-groups/demand-response-working-group>.

Webinar, May 11 Next Meeting | As mentioned on April 6, the next in-person DRWG meeting is scheduled for **May 30** at the Crowne Plaza. To register for that meeting, please send an email to engagement@ieso.ca. In advance of this meeting however, and to further the progress of the work ahead of this group, the IESO is hosting a DRWG webinar on **May 11, 10am-12pm**. More details and an agenda will be communicated shortly. Please also register for this webinar at engagement@ieso.ca to receive the webinar link and further meeting details.

Thanks – Jason
