Subject: January 20 MRWG Meeting - Governance Discussion

Part of the agenda for Market Renewal Working Group meeting on January 20th will be devoted to the issue of governance in the context of market renewal. To support this discussion, there will be time allocated in the agenda for individual stakeholders to make presentations (15 mins or so) on their key governance concerns and ways they might be addressed in the context of market renewal. We hope this will help to generate more substantive discussion during the meeting and about how we move forward. We are asking any stakeholder interested in presenting on this topic to please contact engagement@ieso.ca by **Friday January 6th** to allow the IESO to plan the agenda accordingly.

Thank you and Happy Holidays,
