# ENERGY HLD REVIEW PROCESS

# Energy HLD Review Process

Key aspects of the Energy HLD Review Process will include:

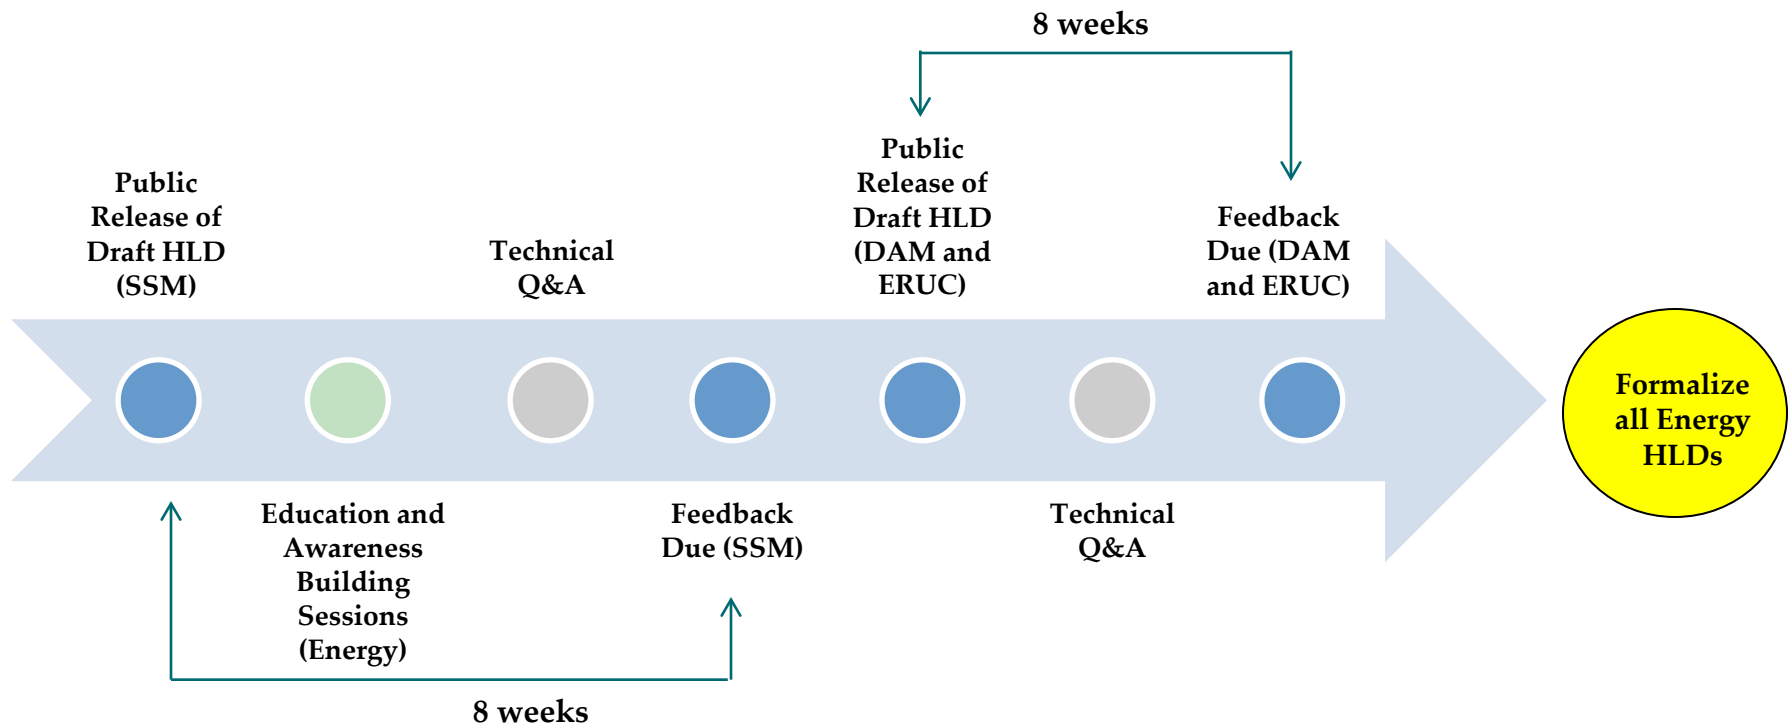

- 1 8 week review period
- 2 Q&A session to be provided mid review period
- 3 3 energy HLDs finalized at the same time
- 4 Feedback on each HLD is encouraged

# Education and Awareness Building

- To aid stakeholders in reviewing the HLDs, the IESO will also provide a series of education sessions
- Sessions will be offered to a number of resource types and will provide a holistic view of what the HLDs mean for them
- The focus will be on stakeholders who have not been deeply involved in stakeholdering to date
- Attendees will gain a practical understanding of what is included in the HLDs and will be prepared for the QA sessions and for submitting feedback on the HLDs

# Summary of Energy HLD Review Period

## Education and Awareness Building

- In-person information session
- Holistic walk-through of Energy HLDs
- Focus on informing and educating on the content in the HLDs

## Technical Q&A

- Technical forum held 4 weeks after publication of the HLDs to answer technical questions
- Purpose is to assist stakeholders in developing feedback

# DECISION-MAKING DISCUSSION

# Meeting Objective

Collect feedback from stakeholders and market participants on opportunities to enhance IESO governance and decision-making. The feedback from this meeting will be brought to the Advisory Group on IESO Governance and Decision-Making who will inform IESO recommendations to the Board of Directors.
