Good Afternoon NERSC members,

The IESO would like to notify and invite members of the Non Emitting Resource Subcommittee to the following two meetings. Stakeholders who are interested and available to participate in either or both sessions are asked to register in advance.

- **Webinar – September 21 (10 am to 12 pm)**
  - Objective: present the detailed assumptions based on evolved scenarios
  - Materials will be made available for stakeholders to review in advance of the webinar
  
- **Meeting (In-person) – October 10 (Save the date)**
  - Objective: To share the preliminary findings of the modelling exercise with stakeholders
  - Location and specifics will be provided shortly, expected to be a half day meeting

Please register by sending an email to IESO Engagement at [engagement@ieso.ca](mailto:engagement@ieso.ca) if you plan to attend the above sessions. Also, please indicated for the in-person meeting whether you will be participating via teleconference in order to receive those details.

Thank you – Jason
