

## Additional Project Partner Declarations

### Partnership Stream: Renewable Energy Projects

**Instructions:** The following page **must** be printed, signed and submitted for each Proposed Project Partner with your EPP Application (for electronic submissions a scanned copy is acceptable).

The Proposed Project Partner, and, if applicable, its Affiliate, provide consent for the IESO to;

- 1) Communicate with the Proposed Project Partner, its Affiliate or any other relevant third parties; and
- 2) Use all information, including Confidential Information, in the possession of the IESO, for the purposes of evaluating and accepting or rejecting the Application.
