Re: MR-00420: Capacity Exports

Attached for Technical Panel review and consideration are the following documents:

- Presentation;
- Market rule amendment proposal MR-00420-R00 Capacity Exports in the IESO-Administered Markets;
- Market rule amendment proposal MR-00420-R01 Capacity Exports and Settlements;
- Market rule amendment proposal MR-00420-R02 Capacity Exports and Transmission Outages – published under separate [cover memo](#) on June 14<sup>th</sup>.

The IESO proposes to amend the market rules to codify a framework for Ontario-based resources to export capacity, as approved by the IESO.

Further information can be found on the [Capacity Exports](#) stakeholder engagement webpage.

At its meeting on May 22<sup>nd</sup>, the Technical Panel reviewed drafts of the amendment proposals for MR-00420-R00: Capacity Exports in the IESO-Administered Markets and MR-00420-R01: Capacity Exports and Settlements, which were presented for information and discussion purposes only.

Since the May 22<sup>nd</sup> Technical Panel meeting, discussions internally and with stakeholders on the market rule amendments have continued, resulting in a refinement of proposed section 20.4.2 of Chapter 7 within MR-00420-R00 (changes highlighted within amendment proposal R00 for Panel consideration). No changes have been made to MR-00420-R02 - Settlements since the Panel's last review.

## **Recommendation – Priority**

The IESO recommends that the Technical Panel assign a regular priority to the development of the suggested changes.

## **Panel Action and Next Steps**

The IESO recommends that the Technical Panel agree to post MR-00420-R00-R01-R02 for stakeholder comment for a period of two weeks, ending on July 12, 2018. The target for IESO Board consideration of the amendments is August 29, 2018.

Yours truly,

Jo Chung
