PART 3 – COMMENTS ON RULE AMENDMENT

Provide your comments.

Lake Superior Power, currently registered as a TSG, supports the proposed market rule amendments to permanently establish a separate class for generators as “self-scheduling” and/or amend the expiry date of the TSG classification from one month after completion of the PPA amendment (with OEFC) to an indefinite period. Lake Superior Power will support this amendment given the ability to switch from the proposed classification to “dispatchable” is retained and exercisable at the generator’s discretion.
