Subject: De-Identification Framework Proposal
Attachments: Proposed De-identifying Information Framework Recommendation -12 AugFINAL.pdf

Please find attached the IESO's revised proposal for a data de-identification framework. Stakeholders are asked to please review this paper and provide feedback by **August 25th**. Feedback can be submitted to stakeholder.engagement@ieso.ca. The IESO plans circulate a revised discussion paper on the framework for third party access to stakeholders on August 25th.

Thank you for the time and effort you have devoted to the Foundation Project.

Ryan King
