Subject: Foundation Stakeholder Session Cancelled

In recognition of feedback received during the public comment period, along with limited registration for the **October 29th** Foundation meeting, the IESO believes there would be little additional value in holding a meeting. As a result the meeting has been **cancelled**. The IESO will post and communicate responses to public feedback received during the comment period along with any revisions to respective IESO recommendations related to this project. All stakeholders will be notified once these materials have been posted on the Foundation stakeholder webpage.

Thank you for your continued participation in this engagement.
