Subject: IESO Response to SE-109 Feedback Requested on the Feb 11 Meeting Materials

Stakeholders were asked to provide feedback on the materials presented at the February 11, 2015 meeting. Since no feedback was received from stakeholders, the IESO will continue to move forward with the following:

- Changes to the Outage Management Redesign Requirements Summary document with emphasis on inclusion of the Conflict Rationale field and associated business rules.
- Proposed IESO Reporting Obligations for the Quarterly, Weekly and Daily Advance Approval Processes.
- Proposed Market Rules development schedule.

Please contact stakeholder.engagement@ieso.ca if you have any questions.

Thank you - Rick Romeo
