Subject: Nov 19 - Next Outage Management Process Redesign meeting

The next Outage Management Process Redesign meeting will be held by webinar on November 19th at 9am. This webinar has been scheduled for 1-hour to discuss the following:

- Project Progress Update
- Revised Transition/Migration Plan for Outage Requests and Go Live
- Conflict Rationale Management
- Web Client Testing
- Project Milestones Update

Please email stakeholder.engagement@ieso.ca to register or if you have any questions.

Regards – Rick Romeo
