Thank you to those able to participate in the November 13 meeting. Written feedback is requested from Outage Management Process Redesign (SE-109) participants on the materials presented at the meeting. Please consider the following and provide feedback by **November 22, 2013** to [stakeholder.engagement@ieso.ca](mailto:stakeholder.engagement@ieso.ca).

1. The final criteria for pre-approval. A word version of the 2<sup>nd</sup> draft rewrite of Market Manual 7.3 Appendix B: Outage Reporting Requirements is attached so that comments and suggestions can be submitted in red-lined format. For comparison purposes a link to the existing outage reporting requirements are available [here](#).
2. The proposed changes to the rest of Market Manual 7.3: Outage Management. A PDF version of the document is attached. Please provide your feedback with clear reference to the applicable section(s) of the Market Manual.
3. The final proposal for market participant training on the process and software changes required for implementing the Interim Process on Feb 5, 2014. The final training proposal can be found [here](#) on slide 12.

The next **Outage Management Process Redesign (SE-109) meeting** will be held in Mississauga on **December 11, 2013 from 9:00 am-11:00 am**. The objective of the meeting will be to review the process changes required for the Interim Process and to conduct a table top session. The IESO encourages participants to extend this invitation to relevant operational staff in their organization to join via webinar. The IESO will also make a recording of this webinar available for participants to use at their convenience. To register to attend this meeting in person or via webinar, **please email [stakeholder.engagement@ieso.ca](mailto:stakeholder.engagement@ieso.ca)**.

The IESO will be delivering an **additional webinar** in cooperation with Hydro One to review process changes required for the Interim Process and to conduct a table top session on **December 4, 2013 from 1:30 pm– 3:30 pm**. All participants and operational staff are welcome to join. To register for this webinar, **please email [Darin.Chayka@HydroOne.com](mailto:Darin.Chayka@HydroOne.com)**.

Thank you,
