Subject: Outage Management Process Redesign (SE-109): Quick Take Posted and Registration for Training Webinar

This email is being sent to Outage Management Process Redesign (SE-109) participants

The revised Outage Management Quick Take is now posted on the [Marketplace Training](#) page. Note that the information in this Quick Take does not take effect until the February 5, 2014 'go-live' date for the Interim Process.

The next **Outage Management Process Redesign (SE-109) meeting** will be held in Mississauga on **January 15, 2014 from 9:00 am-11:00 am**. The objective of the meeting will be to review the changes to the outage management software (ONLORF) required for the Interim Process and to conduct a table top session. The IESO encourages participants to extend this invitation to relevant operational staff in their organization to join via webinar. The IESO will also make a recording of this webinar available for participants to use at their convenience. To register to attend this meeting in person or via webinar, **please email stakeholder.engagement@ieso.ca**.

Thank you,
IESO Stakeholder Engagement
