Subject: Feedback Requested and Next Meeting - Outage Management Redesign (SE-109)
Attachments: SE109 Outage Management Redesign Requirements Summary v1 0.pdf; SE109_Presentation_Aug_27_Final_R1.pdf

Thank you to those who participated in the August 27 meeting of the Outage Management Process Redesign. At this time, we are seeking feedback on the materials referenced at this meeting.

August 27 presentation material (attached for your quick reference) – Please provide feedback via email to stakeholder.engagement@ieso.ca by **Friday, Sept 5, 2014**. The following questions are meant to help guide your feedback, however, please feel free to comment on any aspect of the material.

1. Feedback on the software design updates (Slides 7 to 9).
2. Security and Adequacy Reporting Recommendations to Support Outage Planning Under the Redesign Process (Slides 10 to 12).
3. Proposed Stakeholder Engagement Plan during the Software Implementation Phase (Slide 13).

Outage Management Redesign Requirements Summary - In addition, please find attached the Outage Management Redesign Requirements Summary document. Feedback on this document is encouraged, especially from participants using an Application Programming Interface (API) to submit outage requests to the IESO. Please submit feedback on the Requirements Summary via email to stakeholder.engagement@ieso.ca by **Friday, Sept 12, 2014**.

Next Meeting – October 15 from 09:00 to 11:00 am. Please email stakeholder.engagement@ieso.ca to register to participate in person or via webex.

Please contact stakeholder.engagement@ieso.ca if you have any questions.

Thank you,
Rick Romeo
