Subject: Feedback Requested & Draft Minutes - Settlement Meter Data Applications Working Group
Attachments: SMDA Session 7 Minutes (final draft) - Dec 17 2014.pdf

Dear Working Group members,

Thank you to those who participated in last week's webinar. If you were unable to attend, please let us know if you would like information or clarification on anything in the presentation, which is posted on the SE-113 webpage at <http://www.ieso.ca/Pages/Participate/Stakeholder-Engagement/SE-113.aspx>.

Attached for your review are draft minutes from the session.

We would like to provide corrections to information in the presentation provided on the publication dates for versions V2 and V3 of the meter data reports, which are one calendar day (1CD) after the LPS calculation is completed. The revision as follows: V2: Published at TD+8BD +1CD (Prelim), V3: Published at TD+18BD + 1CD (Final)

The following slides in the posted presentation have been corrected to reflect this revision:

- Slide 27: Validated Meter data Report, second bullet, 3rd line: Versioning ... V2:
- Slide 29: Totalized Meter Data With Losses Report, second bullet, 4th line: Versioning ... V2:
- Slide 30: Totalized Meter Data Without Losses Report, second bullet, 4th line: Versioning... V2:
- Slide 33: Summary, fifth bullet, 1st line: V1... V2:

There are no changes to file delivery timing and/or filing deadlines in Q2 of 2015.

The IESO would like your feedback on the topics discussed in the presentation by end-of-day tomorrow. Please let us know if you would like more time. Your feedback – whether positive, negative or neutral – is very important, as we would like to ensure that the proposed solutions meet your business needs.

Thank you very much,
IESO Stakeholder Engagement
