Subject: DRWG Planning Session -Call for Items due Friday November 18

As highlighted in the previous communication, at the DRWG Planning Session on November 30 the IESO wants to hear from members about what they'd like to see as priorities for DR for 2017 and beyond. To help with this discussion, the IESO asking any working group member interested in speaking to a particular issue or set of issues to contact engagement@ieso.ca by **Friday November 18** along with a brief description of the topic area. This information will help the IESO to plan the agenda to ensure it is comprehensive. Presentation materials may be used but are not required and members should be prepared present in a 10-15 minute discussion format.
