To Demand Response Working Group members

Based on the majority of feedback received, the next Demand Response Working Group has been rescheduled to June 3. Please find the attached agenda for the next meeting which will include an update from the meeting of the pilots sub-committee. Please respond to [stakeholder.engagement@ieso.ca](mailto:stakeholder.engagement@ieso.ca) to confirm your attendance at the working group session. Those stakeholders who are not working group members but wish to participate as observers may also contact stakeholder engagement for phone-in details.

Thanks, Ryan
