

Demand Response Auction Stakeholder Engagement Plan

Demand Response Public Meeting
September 12, 2014

- Stakeholder engagement plans are developed in accordance with IESO stakeholder engagement principles and process to ensure the engagement is conducted with:
 - Integrity towards a fair and effective process
 - Transparency and openness
 - Inclusive and accessible
 - Sincerity, mutual trust and respect
 - Neutrality
- Full details can be found at www.ieso.ca/se

- Stakeholders invited to provide input into the design, development and implementation of a Demand Response (DR) Auction
- Stakeholder engagement (SE) initiative is supported through discussions with the DR Working Group, DR Public Meetings and a Stakeholder Engagement Plan
- Follow the Demand Response Auction stakeholder engagement webpage
- First stakeholder meeting to be held on October 1, 2014 – to register email stakeholder.engagement@ieso.ca

- Objective: To give stakeholders an opportunity to provide input into the development of a DR Auction and identify barriers that might inhibit an auction's effectiveness
- A group of stakeholders will consult throughout four phases of this engagement:
 1. Designing a DR Auction
 2. Build DR Auction parameters, market rule and manual changes and other supporting materials
 3. Testing and training
 4. Implementation

- Stakeholders are encouraged to review and submit feedback on the SE Plan to ensure it allows for fair and open access for involvement in this initiative
- Email stakeholder.engagement@ieso.ca for more details and information
