Subject: Limiting Payments to Exports During Negative Prices

Message to the Inter-Jurisdictional Trading Standing Committee
=====

At the March 27th IESO Technical Panel meeting, [MR-00393: Limiting Payments to Exports during Negative Prices](#) was brought forward for consideration. Given its impacts, we suggest a face to face meeting to present the rule amendment and provide you with an opportunity to provide feedback.

The meeting will be held at the Delta Chelsea, downtown Toronto, on April 12 in the afternoon. The meeting details/material will be posted on the IJTSC web page early next week. We will send a reminder e-mail when it is posted.

The information discussed at the recent Technical Panel meeting can be found at http://www.ieso.ca/imoweb/amendments/tp_meetings.asp

To register for the meeting, email stakeholder.engagement@ieso.ca . Please indicate if you will be attending the meeting in person or via teleconference.

Thanks,
Dave Robitaille
