IESO,

No issues with Terms of Reference. I question though if the meeting should be twice a year rather an annual meeting.

ITSC Members,

On behalf of the IESO staff involved in supporting the ITSC, we would like to thank all those who attended our April 16 meeting, either in person or via webinar. For those that were unable to attend, we hope you can take some time to review the materials and meeting minutes and feel free to reach out for any support on the information presented at our last meeting.

It was a very productive session that we hope provides a strong framework for future ITSC meetings. In order to ensure we have guiding principles and a Terms of Reference that can direct the work in which this committee undertakes, we have asked all members to review the draft Terms and provide feedback by **tomorrow, Thursday, May 7, 2015**. Thank you to all those members who have already submitted feedback.

**Terms of Reference:** For your convenience, the link to the draft Terms of Reference that have been posted on the ITSC website prior to the April 16 meeting can be found here:  
<http://www.ieso.ca/Documents/IT/itsc/ITSC-20150416-Terms-of-Reference.pdf>

**16-April Minutes:** The draft meeting minutes from the April 16 meeting have been posted on the ITSC web page and can accessed directly here: [http://www.ieso.ca/Documents/IT/itsc/ITSC-20150416-Minutes\\_Draft.pdf](http://www.ieso.ca/Documents/IT/itsc/ITSC-20150416-Minutes_Draft.pdf). These minutes may serve as a compliment to those finalizing their feedback for tomorrow.

**ITSC Materials:** Also, in addition to this friendly reminder to review the draft Terms for your feedback, please feel free to review the other presentations discussed on April 16 on the ITSC site (<http://www.ieso.ca/Pages/Participate/Stakeholder-Engagement/Standing-Committee/IT-Standing-Committee.aspx>) as we are very interested in your feedback on those specifics as well.

**IESO Response:** The IESO has agreed to review all feedback and post the final Terms of Reference next Thursday, May 14, 2015. If you need any support with the feedback request, or have any problems in submitting by end of day tomorrow, please let us know.

**Feedback:** Please be advised that all feedback regarding the Terms of Reference or other ITSC items in general can be sent to [stakeholder.engagement@ieso.ca](mailto:stakeholder.engagement@ieso.ca).

Regards – Jason Grbavac
