Subject: Register for ITSC meeting April 16

Hi folks,

You had asked for email feedback....please find my comments below.....overall a great meeting with great discussion.

- Quarterly ITSC meetings instead of currently planned once a year
 - o Webex works as well
- Invite MDM/R to participate as there may be some impacts on that side
- Ask stakeholders to provide updates on projects underway that may be of interest to IESO IT

Thanks,

Eddie
