Stakeholder Engagement Days: Opening Remarks

Monthly Engagement Update

- provides a snapshot of all active IESO engagement activities and is updated on a monthly basis
- now includes forward looking view of engagement activities

Active Engagement	Current Status	Next Steps
<p>Hybrid Integration Project *new</p> <p>The IESO is seeking feedback on the development of participation model(s) to enable hybrid resources in the IESO-administered markets and have the capability to support Ontario's future system needs. The changes will be implemented after the implementation of the Market Renewal Project.</p> <p><i>Engagement Lead: Colin Campbell</i></p> <p><i>Related Active Engagements:</i></p> <ul style="list-style-type: none">• Enabling Resources• DER Roadmap (future)• Innovation and Sector Evolution White Paper Series	<ul style="list-style-type: none">• This new engagement launched on Apr 1 and the first meeting will be held on Apr 21• The engagement plan and presentation for this meeting are posted on the engagement web page	<ul style="list-style-type: none">• Review feedback on the engagement plan

Katherine Sparkes, Senior Director, Emerging and Demand-side
Resources

Candice Trickey, Director, Corporate Affairs

Instructions for Participation

Please follow the steps below if you would like to participate in the Q&A portion of the event:

- Click the “show conversation” icon to submit a written question **or** click on the “raise hand” icon at the top of the application window to indicate to the host you would like to speak
- When called upon to speak, unmute your audio by clicking on the microphone at the top of the application window and turn your camera on only when speaking

Upcoming Engagement Activities

Candice Trickey, Director, Corporate Affairs

Continuing to Evolve the Framework

- Better utilization of monthly engagement days for more forward-looking engagement planning
- Provide greater insight into future engagement activities
- Collect earlier feedback on the scope and areas of interest to help shape new engagements
- New opportunities to seek input on priorities from the broader stakeholder community

New & Upcoming Engagements

Initiative	May	June
Gas Phase-out Study	X	
Distributed Energy Resources Roadmap		X
Industrial Energy Efficiency Program		X

Stakeholder Engagement Feedback Sessions

- Review progress around ongoing engagement activities
- Promote an understanding of linkages between engagements
- Opportunity for stakeholders to identify additional priorities not already covered through existing or planned engagements
- Will take place once a quarter during the pre-established engagement days – first one scheduled for May
