Distributed Energy Resources (DER) Potential Study – September 30, 2022

Feedback Provided by:

Name: Daniel Tadros

Title: Senior Market Specialist

Organization: Ontario Power Generation

Email: [REDACTED]

Date: October 28, 2022

Takeaways, Recommendations, and Additional Analysis

Topic	Feedback
DER Coordination and Integration	Within the study, has there been consideration as to what entities would be interested in coordinating various DERs to support demand with sufficient economic benefits for competition amongst the entities?
DER Adoption	Have previous customer program adoption data (example: HVAC control programs) been incorporated in the three study scenarios?
Study Approach	Have the three study scenarios take in to account other programs IESO has in-progress or will commence within the next 3 years such as HIP.
