Subject: November 17 Engagement Webinar – East Lake Superior Regional Electricity Planning

The IESO will host a second public webinar on November 17 at 1:00 p.m. to provide an update on the development of a long-term electricity plan – Integrated Regional Resource Plan (IRRP) – for the [East Lake Superior](#) region, and discuss defined needs and range of solutions being examined. The webinar will also be used to seek input for consideration in the development of potential options to meet local electricity needs.

Webinar materials will be available in advance and a window to submit written feedback will be opened for a three-week period afterward. Register for the webinar [here](#).

For additional details on this engagement initiative please visit the East Lake Superior [engagement webpage](#).

Thank you,
