Subject: Clarification to IESO's Response to Feedback document (ERP DER Project)
Date: March 11, 2026 4:15:26 PM

Good afternoon,

As a sector participant connected to the engagement process for the ERP DER Integration Project, please note that additional clarification to feedback regarding *Transmission-Distribution Coordination* has been provided in a revised response to feedback document and has been posted to the [ERP's DER Project webpage](#).

This clarification enhances the IESO's original response to feedback and can be found on pages 5-6 (also noted in **red** for your convenience).

Please let us know if you have any questions.

Thanks,

Jason Grbavac
