Subject: Feedback Reminder: ERP - Storage and Co-located Hybrid Integration Project
Date: July 30, 2025 1:46:28 PM
Importance: High

Good afternoon,

As discussed during the ERP session last week, the session Presentation, Recording and Feedback Form were posted and are available on the S/H Project page:
<https://ieso.ca/Sector-Participants/Engagement-Initiatives/Engagements/ERP-Storage-and-Hybrid-Integration-Project>.

The feedback deadline is August 21; however, if participants have an opportunity to submit sooner, please feel free to do so. The ERP team is very interested in reviewing the comments and feedback on the topics discussed on July 24 and included in the Feedback Form to plan the materials for our next session targeted for October.

For your convenience, the Feedback Form is available [here](#) and can be submitted directly to IESO Engagement engagement@ieso.ca. Please note the word “confidential” in the form if you would not like it posted, or where certain information within the form should be redacted.

Please let us know if you have any questions.

Kind Regards,

Jason Grbavac
IESO Engagement
