

DECLARATION OF [●][INSERT THE LEGAL NAME OF THE APPLICANT.]
(the “Applicant”)

TO: **INDEPENDENT ELECTRICITY SYSTEM OPERATOR** (the “IESO”)

RE: The Industrial Energy Efficiency Program administered by the IESO

I, _____, am an authorized signatory of the Applicant and I declare, for and on behalf of the Applicant, and not personally, and intending that this Declaration may be relied on by the addressees without independent inquiry that:

1. the information in the Applicant’s [Stage 1/Stage 2][Note to Finalization: Edit to reflect the stage at which this Declaration is being submitted.] Application is accurate and complete in all material respects;
2. the Applicant has read and understands the Program Requirements;
3. if the Applicant is offered the opportunity to enter into a Participant Agreement by the IESO, no modifications or revisions will be requested by the Applicant to the form of Participant Agreement; and
4. the Applicant acknowledges and agrees that the IESO may, in its sole discretion, reject its Application or elect not to offer the Applicant the opportunity to enter into a Participant Agreement. The Applicant must enter into a Participant Agreement with the IESO in order to be eligible to receive an incentive payment under the IEEP. Prior to entering into a Participant Agreement, no binding obligations other than those in the Release, Waiver and Consent are created between the IESO and the Applicant, and the IESO is not bound in any way to offer an incentive payment or enter into a Participant Agreement.

Capitalized terms used in this Declaration and not defined herein shall have the meaning given to such terms in the Program Requirements.
