Following the February 23<sup>rd</sup> engagement webinar, the Independent Electricity System Operator (IESO) is seeking feedback from stakeholders on the items discussed during the webinar. The webinar presentation and recording can be accessed from the [engagement web page](#).

**Please submit feedback to [engagement@ieso.ca](mailto:engagement@ieso.ca) by March 11<sup>th</sup>.** If you wish to provide confidential feedback, please submit as a separate document, marked "Confidential". Otherwise, to promote transparency, feedback that is not marked "Confidential" will be posted on the engagement webpage.

## IEEP Program Documents

Topic	Feedback
Are there any elements of the IEEP Program Requirements which require further clarification?	Would projects to upgrade hydraulic generation systems, where the system is owned by an industrial facility and used exclusively to displace purchased electricity at the industrial site qualify under this program, if the project meets the minimum MWh/year criteria?
