Subject: Indigenous Energy Support Programs Review Engagement Concluded

Following the September 28, 2020 engagement meeting, the application intake for Fall 2020 was opened. Community feedback through surveys, meetings and discussions helped inform the final program designs. The IESO is now closing out the engagement with the posting of the Final Engagement Summary Report on the engagement webpage. The Report includes a summary of discussions and engagement activities that took place through this engagement forum. The report and other engagement materials can continue to be accessed by the public through the [Completed Engagements](#) section of the IESO website.

We appreciate your participation throughout this engagement. Please reach out to engagement@ieso.ca if you have any outstanding questions.

Thank you,

Colin Campbell
