Subject: IESO LT2 RFP Engagement Session June 13 - Agenda

Thank you for registering for the June 13, Long-Term 2 (LT2) RFP engagement session. The presentation will be made available following the session to support participants in providing feedback.

To better prepare you for the session, the following topics will be discussed:

1. Considerations for siting projects in agricultural areas
 - [Highlights from the Minister of Energy's letter](#)
 - Presentation by Ontario Ministry of Farming, Agriculture and Agribusiness
2. Updates on LT2 RFP Connection Guidance
3. Enhanced Power Purchase Agreement design update
4. Eligibility for hybridized facilities, repowered facilities and distributed energy resources
5. Details on key LT2 Contract provisions

Participants will have the opportunity to engage in a Q&A and should further clarification be required on the items presented above, please reach out to engagement@ieso.ca.

We look forward to the discussion.

Regards,
IESO Engagement
