Good morning,

Thank you for your interest in the development of the IESO's Long-Term 2 Request for Proposals (LT2 RFP). You are receiving this email as either a subscriber to the [IESO's Long-Term RFPs mailing list](#) or as an attendee of one of the LT2 RFP engagement webinars.

As a reminder, the IESO is hosting a public engagement webinar tomorrow, **Wednesday, July 24 from 9:30 a.m. – 11:30 a.m.**

In advance of this webinar, the IESO had intended to post a draft of the LT2 contract on its website. Due to an unforeseen technical issue, this has not been possible. Instead, the **Draft LT2 (Energy) Contract** is included as an attachment to this email and will be posted to the [LT2 RFP webpage](#) as soon as possible.

Tomorrow's webinar will focus on:

1. Overview of Draft Long-Term 2 (LT2) Energy Contract
2. Key Themes from recent Stakeholder Feedback
3. Recap: Project Siting on Crown Land

For more information, and to review meeting materials and the recording once posted, please visit the [LT RFP engagement webpage](#). Please also visit the LT RFP engagement page to [register](#) for the session.

For any questions related to the July 24 session, or related to the LT2 process in general, please contact IESO Engagement [engagement@ieso.ca](mailto:engagement@ieso.ca).

Regards,
