Following the April 22, 2025 engagement webinar, the Independent Electricity System Operator (IESO) is seeking feedback from stakeholders on Transmitter Selection Framework Registry (TSF-R) Design. The webinar presentation and recording can be accessed from the [engagement web page](#).

Please submit feedback to engagement@ieso.ca by **May 13, 2025.** If you wish to provide confidential feedback, please submit as a separate document, marked "Confidential". Otherwise, to promote transparency, feedback that is not marked "Confidential" will be posted on the engagement webpage.

In your view, do the draft Registry program rules appropriately balance the need for transmitter qualifications with the goal of encouraging broad participation?	Yes
Do you have any concerns with the application or renewal process as proposed (e.g., two-year term, renewal triggers, documentation)?	No concerns as of this time
Are the proposed provisions regarding Indigenous community participation and exclusivity arrangements sufficiently clear and practical to implement?	They are clear and practical
Are there any outstanding barriers which could interfere with transmitters participating within the TSF registry?	Not that I am aware of
Do you have any additional feedback regarding the TSF of the TSF Registry that the IESO should consider?	Consideration of a proponent scoring or rating system for indigenous communities as pertains to consultation and accommodation
Do you have any feedback on the TSF Registry registration fee and the rationale behind it?	Not at this time.
