Subject: IESO York Region Non Wires Alternatives Demonstration Project – Phase One Engagement Concluded

The Phase One stakeholder engagement component of the IESO York Region Non Wires Alternatives Demonstration Project has now concluded with the posting of the Phase One Engagement Summary Report on the [engagement webpage](#). The report includes a summary of discussions and engagement activities that took place through this engagement forum.

Stakeholder engagement on Phase Two of the project is expected to commence in July, 2021. Details will be added to the engagement webpage, and will also be communicated via the IESO Bulletin as well as via email to stakeholders.

We appreciate your participation throughout this engagement, and look forward to continuing to work with you in the coming months. Please reach out to engagement@ieso.ca if you have any outstanding questions.

Thank you,
Colin Campbell
