

This page sets out the instructions for completing the Prescribed Form: Access Rights Declaration (Energy).

All capitalized or italicized terms used in these instructions and the Prescribed Form: Access Rights Declaration (Energy), unless otherwise stated, have the meanings ascribed to them in the LLT(e) RFP.

INSTRUCTIONS APPLICABLE TO ALL PRESCRIBED FORMS:

- a. The first page of a Prescribed Form should be marked with the name of the LLT Energy Project that is the subject of the Proposal. The Proponent should use the name given to the LLT Energy Project in the Prescribed Form: Proponent Information, Declarations and Workbook (Energy).
- b. This instruction page is not required to be submitted as part of the completed Prescribed Form.
- c. The Prescribed Form is required to be submitted electronically via email to the IESO at LLT.RFP@ieso.ca.
- d. Information provided in each Prescribed Form should be consistent with the information provided in the Proposal.
- e. Where the Prescribed Form has multiple pages, the pages of the Prescribed Form should be kept together in the Proposal in sequential order.
- f. Where a blank field for a section/page reference is provided in a Prescribed Form, enter the section/page reference of the Proposal where the substantiating evidence for that particular item can be found.
- g. Apart from the completion of any blanks, drop down lists, check boxes or similar uncompleted information in a Prescribed Form, no amendments may be made to the wording of a Prescribed Form.
- h. Each Prescribed Form must be completed in its entirety. Fields marked <if applicable> must be completed if applicable to the Proposal. If not applicable, they should be marked "Not Applicable".
- i. If a signature is required for a Prescribed Form, the Prescribed Form must be signed by a person with authority to bind the Proponent. The Prescribed Form may be printed, signed and scanned, or may be signed digitally through Adobe (Digital ID, or Fill and Sign), Apple Preview or DocuSign.

j. With the exception of this instruction page, instructions within a Prescribed Form will be enclosed in brackets.

EXHIBIT C

[NTD: Exhibit C is under review by MNR] FORM OF MNR CONFIRMATION LETTER

Month, Year

[Proponent] Contact Info

Subject: MNR Confirmation Letter regarding MNR's Review of Crown Land Site Report (CLSR) <insert internal CLSR number> <(if applicable) insert Applicant of Record identification number>

Dear insert Proponent legal name:

Thank you for submitting a Crown Land Site Report (CLSR) to the Ministry on insert date CLSR submitted for the LLT<stream> RFP in respect of: insert name of proposed project, using hydroelectric waterpower technology, proposed to be located insert geographic coordinates or township.

As indicated in the Independent Electricity System Operator's (IESO's) Long Lead-Time Request for Proposals (LLT RFP), an MNR Confirmation Letter is a mandatory requirement for a complete bid application for projects proposed in whole or in part on Crown land. This letter is provided as contemplated within Section [].

Based on the Ministry's review, we find your CLSR to be complete. As such, this letter is an MNR Confirmation Letter within the meaning of IESO's LLT RFP.

This letter should not be relied on as in any way validating or supporting the declarations or information submitted in the CLSR. The Ministry makes no representations or warranties about the availability or suitability of the proposed project site. Further, this letter does not authorize any activity, work or undertaking and does not provide any right, title, tenure, interest, or guarantee of any MNR approvals or authorizations or that Crown lands will be available for the proposed project.

If you have any questions about the contents of this letter please feel free to contact me at insert phone number of Land Use Planning Supervisor (xxx)xxx-xxxx or insert email address of Land Use Planning Supervisor xxx@ontario.ca.

Sincerely

Land Use Planning Supervisor
Regional Operations Division

EXHIBIT D
FORM OF ATTESTATION IN RESPECT OF CROWN LAND SHAPEFILE

ATTESTATION IN THE MATTER OF the Proposal under the IESO's LLT(e) RFP for *<insert legal name of proponent>* _____ (the "Proponent"), in relation to the following LLT Energy Project:

Name of the LLT Energy Project: <i><input name of the LLT Energy Project></i>	
Unique Project ID of the LLT Energy Project: <i><input Unique Project ID of the LLT Energy Project></i>	
Crown land site description (legal description and/or GPS coordinates):	As indicated in the Proposal Workbook
If the proposed Project Site is the subject of AOR Held Lands the Applicant of Record ID # is:	As indicated in the Proposal Workbook

Capitalized terms not defined herein have the meanings ascribed to them in the LLT(e) RFP.

I, *<insert name of attestor>* _____, of the *<insert City/Town etc.>* _____ of *<insert name of City/Town>* _____ in *<insert name of Province/ State>* _____ on behalf of the Proponent attest to the following information:

1. I am the / an *<insert office held>* _____ of the Proponent and have knowledge of the matters herein described and have the authority to bind the Proponent for the purposes of the subject matter of this attestation.
2. The Project Site information contained in the Crown Land Shapefile(s) provided with the Proposal is consistent in all material respects with the Project Site information included in the Proponent's Crown Land Site Report Form referenced in the MNR Confirmation Letter.
3. The Project Site (and the Project Site of any associated Proposal PQ Alternate(s)), as reflected in the Crown Land Shapefile(s) submitted in accordance with Section 2.1(c)(vi) of the LLT(e) RFP does not overlap with or use any of the same Crown lands as any AOR Held Lands for which the Proponent is not the Applicant of Record.
