

ADDENDUM NO. 2
dated April 4, 2022, to the
IESO MEDIUM-TERM (MT) I RFP

In accordance with Section 3.3 of the MT I RFP, this Addendum No. 2 contains amendments to the MT I RFP posted on the Website. Capitalized terms used in this document have the meaning given to such terms in the MT I RFP.

1. The last paragraph of Section 1.2 of the MT I RFP is deleted and replaced with the following:

“The initial MT I RFP is intended to competitively procure up to 475 MW of year-round capacity services (the “**Target Capacity**”), on a Summer unforced capacity (UCAP) basis. Successful Proponents will be awarded contracts for a five (5) year commitment period commencing on May 1st of either 2024, 2025, 2026 (as selected by Proponents) and ending immediately prior to the fifth anniversary of such date (the “**Commitment Period**”).”

2. Section 4.4(e) of the MT I RFP is deleted and replaced with the following:

“Subject to Section 5.10(1), Proposals on the Preliminary List shall be processed and added to the “**Offer List**” in order of their ranking until such point where the addition of the next Proposal from the Preliminary List causes the aggregate Summer season Qualified Capacity of the Proposals on the Offer List to exceed the Target Capacity (such incremental Proposal, the “**Marginal Proposal**”). The IESO, in its sole and absolute discretion, reserves the right to select the Marginal Proposal to be included on the Offer List. Any Proponent whose Proposal is included on the Offer List shall be a “**Selected Proponent**” and shall be required to enter into a MTC I Contract as provided in Section 2.2 in respect of the applicable Proposal(s), and to carry out the provisions of the MTC I Contract. Remaining Proposals not added to the Offer List shall be rejected.”

3. Appendix A of the MT I RFP (Glossary of Terms) is amended by adding the following defined term in alphabetical order:

Marginal Proposal	has the meaning given to such term in Section 4.4(e).
